

EUROMINES SAFETY AWARDS 2023

In recognition of outstanding commitment to Health and Safety in the mining industry, Euromines proudly presents
**laureats of
the Safety Awards**

Maintaining a safe workplace is a credit to the mining industry. We commend all involved, for continuous and uncompromising effort in raising the safety standards ever higher.

Euromines Safety Award 2023

Euromines is aware of the substantial efforts its members have been taking to prevent and mitigate workplace injuries, diseases, and fatalities and to improve the safety culture. Euromines, therefore, wishes to recognize and promote them by creating this **Euromines Safety Award**

Euromines expresses sincere gratitude to the members of the jury for their contribution to promote best practices on safety for the mining industry :
